I too feel comfortable that the e-mail is in there by mistake. Thanks for double-checking. Please delete the e-mail. Thanks.

Marguerite will check for the confidential/redacted text on duplicate TR pages 21s.

I wouldn't think that the email is NOT part of that transcript or it would be stamped. The insertion of the testimony is not related to that email.

Is Marguerite the one that will clean up the transcript?

Also, Marguerite, please see duplicate TR page 21s and check for confidential/redacted text.

There are several exhibits and a portion of FPUC's transcript that originally were redacted but the company withdrew its request for confidentiality and resubmitted the testimony and exhibits in Document No. 09754-07(as an attachment to the Notice of Withdrawal). So Exhibit 26 and page 4 of Mehrdad Khojastesh's testimony should be un-redacted. Please replace the redacted pages of the official transcripts with the copies found in DN 09754.

Subject: Fuel Order/Transcripts/Exhibits

There are several exhibits and a portion of FPUC's transcript that originally were redacted but the company withdrew its request for confidentiality and resubmitted the testimony and exhibits in Document No. 09754-07 (as an attachment to the Notice of Withdrawal). So Exhibit 26 and page 4 of Mehrdad Khojastesh's testimony should be un-redacted. Please replace the redacted pages of the official transcripts with the copies found in DN 09754.

Please feel free to call me if you have any questions.

Subject: Redacted DN 04368-06 - Dkt 060001-EI

Hi Denise,

Pat Pottle w/Ausley (425-5486) called yesterday & said that they think redacted document, Document No. 04368-06 filed 5/18/06, has some confidential information in it.

The Confidential Document is 04367-06 [TECO's workpapers prepared in connection with a pending staff audit (Audit No. 06-046-2-1).]

Someone from Ausley wants to come and view the redacted version along side the confidential version to see what's what. & then perhaps file a request for confidential classification for the redacted document filed.

I will prepare a memo for Dan Hoppe requesting permission for Ausley to view Confidential DN 04367-06.

In the mean time, i have deleted the redacted version from the PDF folder & it has been taken off the web site. The document is in my lock-up room, pending.....

Marguerite.
