Dear Mr. Fantacone:

Unfortunately, the minimum fee cannot be lowered. On December 7, 2006, Order No. PSC-06-1008-NOR-TP was issued, and a copy sent to all certificate holders, that Docket No. 060668-TP had been established to amend the Regulatory Assessment Fee rule and it specifically provided the proposed minimum fees. The new fees were approved. Just as information, only one company filed comments on the proposed increase.

Since the company is unable to pay the 2007 fee, I will go forward with the involuntary cancellation. Please let me know if you have any questions.

Dear Ms. Isler,

Thank you for your explanation. Unfortunately, we are unable to pay the fee. Had we known prior to this year that it was rising from a nominal \$50/year to \$600 we would have cancelled it then. If a notice was sent we must have missed it - I know we receive dozens of mailings from the PSC which, frankly, are incomprehensible to us since we don't speak the CLEC language:)

Is there anything you can do to mitigate this, given we didn't know the fee was going up by a factor of 12? Thank you in advance for your consideration.

Dear Mr. Fantacone:

The Commission received the 2007 Regulatory Assessment Fee return form with the note "Please close account", along with your letter requesting cancellation due to the increased minimum Regulatory Assessment Fee and because you never started operations.

There are two types of cancellation. One is voluntary, which is when a certificate is cancelled at a certificate holder's request and has paid all Regulatory Assessment Fees. The other is involuntary and is when a certificate is cancelled on the Commission's own motion for a rule, statute, or order violation. Just as information, the Regulatory Assessment Fee is applicable if a certificate is active for any day during a calendar year.

I will open a docket to cancel your certificate with an effective date of December 27, 2007. Unfortunately, the minimum fee for 2007 must still be paid.

If the company cannot pay the \$600 minimum, its certificate will still be cancelled, it will just be cancelled on the Commission's own motion and the unpaid fee will be turned over to collections.

Please let me know by January 14, 2008, how you wish to proceed.

Dear Florida PSC:

Please close our CLEC status and revoke our certificate. We've never provided any CLEC services and since your minimum fee has gone up so much, we can no longer afford to maintain CLEC status.

Sincerely,

Tom Fantacone Vice President
