This Interconnection, Collocation and Resale Agreement ("Agreement"), dated May 10, 2008, is entered into by between The Ultimate Connection, L.C. d/b/a DayStar Communications, a Florida corporation ("CLEC"), and Embarq Florida, Inc., a Florida corporation ("Embarq") to establish the rates, terms and conditions for local interconnection, local resale and the purchase of unbundled network elements for the state of Florida. (Embarq and CLEC may be referred to individually as a "Party" and collectively as the "Parties").

5. AMENDMENTS:

The following shall replace or substitute for the corresponding section(s) in the Adopted Agreement. Except as modified herein, the Agreement shall, in all other respects, reflect the same terms and conditions as the Adopted Agreement.

- 57.2 The Parties agree to "Bill and Keep" for mutual reciprocal compensation for the termination of Local Traffic and ISP Bound Traffic on the network of one Party which originates on the network of the other Party. Under Bill and Keep, each Party retains the revenues it receives from end user customers, and neither Party pays the other Party for terminating the Local Traffic which is subject to the Bill and Keep compensation mechanism. The Bill and Keep arrangement is subject to the following conditions.
- 57.2.1 Bill and Keep is only applicable if terminating Local Traffic between the Parties is balanced within 10 percent. As clarification, traffic is in balanced within 10 percent when neither Party originates more than 55% of the traffic exchanged between the Parties.
- 57.2.2 Bill and Keep applies to Local Traffic between a CLEC end office and a Sprint tandem and is limited to 672 DSO trunks (one-way from CLEC to Sprint).
- 57.2.3 Traffic Studies may be conducted semi-annually to measure the amount of Local Traffic on the interconnection trunks to detect an out of balance condition. Parties agree to share the results of such studies.
- 57.2.4 Either Party may cancel the Bill and Keep compensation arrangement for Local Traffic when traffic volumes require the installation of more than 672 one-way trunks or when the usage is out of balance by more than 10% for 3 consecutive months. Formal notification of the cancellation must be provided in writing 90 days prior to the Effective Date. Notwithstanding anything in this Agreement to the contrary, the Parties may continue the Bill and Keep compensation arrangement by mutual agreement.
