Thank you for the info regarding these filings. For clarification/confirmation, would you like me to move DN 05055-08 (filed 6/13/08) from the undocketed matters to Docket 050281? DN 05790-08 (filed 7/3/08), and which triggered the question below, was entered into Docket 050281.

Dorothy, the consumption report letters should be filed in the docket. The company was ordered in DN 050281 to submit these consumption reports for a period of 2 years. They'll continue to file them through 2008. The quarterly reports don't need to be filed, but should go to ECR. Thanks!

Hi Rosanne,

We have received a WAW consumption report for 6/08, and quarterly report for 4/08 through 6/08, as required by Order PSC-06-0170A-PAA-WS, from Plantation Bay/Friedman. The letter references Docket 050281 and I see other letters like it in that docket. However, I recently found one in the undocketed matters (DN 05055-08). Would you like me to move DN 05055-08 from undocketed matters and put it in closed Docket 050281 or should they all be placed in the undocketed matters? Thank you for your help!

Dorothy
