Great! Thank you for the follow-up. Marguerite is correct, that should have been Docket 090037 rather than 090073. So, just as a follow-up and for purposes of keeping the record straight, DNs 11715-08 through 11719-08 are being moved from Docket 080000 to newly established Docket 090037. DNs 11715 through 11717-08 have already been moved. Per this e-mail, we are moving DNs 11718-08 and 11719-08 from 080000 to 090037.

Thank you again for all your help!

These two should be moved, too. Also, Marguerite mentioned docket 090037 instead of 090073. Thanks for keeping me in line!

Good morning Tripp,

Marguerite indicated earlier that DNs 11718-08 and 11719-08 should be moved from Docket 080000 to 090073 as well. If you will confirm that, I will use this e-mail to make that change as well. As mentioned earlier, if you find any others that need to be moved, please let me know. Thank you for your help!

Dorothy
