Hi Ruth,
 The 1:00pm filing should replace the 12:54 as my computer froze up and sent it without the attachment. It is the same email, just with the attachment. No separate or additional filing needed. I apologize for any confusion. Thanks, Roberta

Ms. Cooper,

We received the e-filing cover page below at 12:54 p.m., however there was no attachment included. We received another e-filing at 1:00 p.m. which appears to be the same e-mail, with an attachment included. Can you please confirm whether or not the filing received at 1:00 p.m. is meant to replace the filing made at 12:54 p.m.? If it is a separate filing, please resubmit information below, with attachment(s), to be considered an official filing. Thank you for your assistance.
