PROMISSORY NOTE

\$123,123.46

As of January 1, 2009

FOR VALUE RECEIVED, HEATHER HILLS ESTATES UTILITIES, LLC, a Florida limited liability company ("Maker"), promises to pay to the order of KEITH C. STARKEY, individually and as Trustee of the Keith C. Starkey Revocable Trust under agreement dated July 28, 1997, and CLARA B. STARKEY, individually and as Trustee of the Clara B. Starkey Revocable Trust under agreement dated July 28, 1997 ("Payee"), the principal sum of:

**One Hundred Twenty-Three Thousand One Hundred Twenty-Three and 46/100 Dollars
(\$123,123.46 USD)**

together with interest at the rate of 3.520% per annum upon the principal sums remaining from time to time unpaid, at 403 51st Street NW, Bradenton, FL, 34209 in accordance with the "Irregular Amortization Calculation" prepared by Hynton, Pool & Smith, attached hereto as Exhibit A-1.

Maker reserves the right to offset against this Note, dollar for dollar, any adjustments in favor of the Buyer under that Asset Purchase Agreement dated as of January 1, 2009, by and between Maker, as the Buyer, and Payee, as the Sellers (the "Agreement"), as such adjustments are described therein, including those adjustments pursuant to Section 2.2(b) thereof and any expenses, costs, debts, losses, liabilities, or contractual obligations incurred by Buyer: (i) relating to, arising or resulting from, or connected with a breach of a warranty or representation by the Sellers under the Agreement or an unpaid obligation to indemnify by the Sellers pursuant to Section VIII thereof; or (ii) for a claim or demand accruing, occurring, or arising prior to Closing under the Agreement against the Seller, the Business, or the Assets, as such terms are defined in the Agreement. Prior to claiming an offset, Maker shall deliver to Payee fifteen (15) days' advance written notice of Maker's intent to offset against the Note, including documentation regarding the amount to be offset, to allow Payee, as Sellers, to remedy or to commence to dispute the amount to be offset with the claimant thereof. Maker further reserves the right to suspend its payment obligations under the Note for any period during which Payee, as Seller, is in default under the said Agreement, without interest or late fees accruing hereunder for such period.

Maker also reserves the right to prepay this Note in whole or in part at any time and from time to time without penalty.

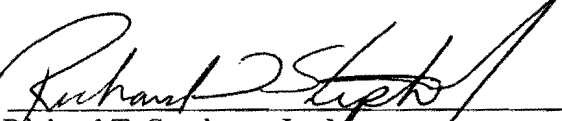

All persons now or hereafter becoming obligated hereunder waive demand or presentment for payment, protest for nonpayment, and notice of dishonor, and agree that, in the event of default of the payment of any installment due hereunder for a grace period of fifteen (15) days, the whole of said indebtedness shall, at the option of the holder, become immediately due and payable. Upon the default of Maker in the payment of any sum due under this Note (after the expiration of any applicable grace period), whether scheduled, through acceleration, or otherwise, default interest shall accrue on the principal and interest balance remaining unpaid at

the highest lawful rate until paid. Should this Note become in default and placed in the hands of an attorney for collection, makers agree to pay all costs and reasonable attorneys' fees incurred in the collection hereof, including those incurred in trial, appellate proceedings, and/or bankruptcy. Maker will pay a late fee of 5% of any payment that is more than 10 days late. All payments hereunder are to be applied first to the liquidation of late fees, then interest accruing under the terms of this Note and finally to the reduction of principal.

Notwithstanding anything in this Note to the contrary, the annual rate of interest payable on this Note shall not exceed the maximum rate now allowed by applicable law or any higher rate of interest allowed on this note because of any future amendment to existing law. If any payment of interest or in the nature of interest under this note would cause the foregoing interest rate limitation to be exceeded, the excess amount shall be either credited by the holder of this Note as a payment of principal or returned to Maker if Maker so requests.

This Note shall be deemed to have been made and shall be construed and enforced in accordance with the laws of the State of Florida. The parties hereto agree that jurisdiction and venue for any litigation arising under this Note shall lie within the appropriate court in Manatee County, Florida.
