Good afternoon again, I will remove the "bankruptcy" from the active companies. Once a company is inactive, we do not change any information that we have listed in MCD. Thanks for letting me know, as that is something that I wouldn't know, until someone advises me that the company/ies are no longer in bankruptcy. N

Good morning:

I'm reviewing those companies marked bankruptcy and noted that several of the MCI companies are still marked. They are out of bankruptcy and it needs to be removed. The active companies I found are:

- TA005 - MCImetro
- TE644 - MCI WorldCom
- TI508 - TTI
- TI906 - Teleconnect
- TJ032 - MCI

These are just the active companies that I found - I don't care of the inactive companies are removed. Will leave that up to you. Thanks.
