COMMISSION  
CLERK

June 4, 2009

Subject: Petition for designation as an eligible telecommunications carrier (ETC) pursuant to 47 U.S.C. 214(e).

Dear Ms. Bayo:

Please accept this letter as a petition to the Commission for designation of Easy Telephone, Inc. as an eligible telecommunications carrier (ETC) pursuant to 47 U.S.C. 214(e).

Enclosed for filing with the Commission are the original and seven copies of the supporting documentation of the petition. An easy telephone service has met the requirements for ETC designation. Grant of this request will serve the public good by allowing Easy Telephone to serve current and additional low-income subscribers.

Please date and time stamp the extra copy as proof of filing and return it in the enclosed self addressed stamped envelope. Please refer any questions about this application to Easy Telephone Services. P.O Box 590007 Tamarac, FL 33359 or telephone at 9547772771

Sincerely,

A handwritten signature in black ink, appearing to read "Manuel Torrens".

Manuel Torrens

FPSC-COMMISSION CLERK

Before the  
FLORIDA PUBLIC SERVICE COMMISSION

In Re: Petition of  
Easy Telephone, Inc  
For Designation as and Eligible  
Telecommunications Carrier

Docket No. 991577-TX

PETITION FOR DESIGNATION AS AN ELIGIBLE  
TELECOMMUNICATIONS CARRIER IN THE STATE OF FLORIDA  
(NO RURAL REDEFINITION REQUESTED)

Easy Telephone, Inc (“Easy Telephone” or the “Company”), pursuant to Section 214(e)(2) of the Communications Act of 1934, as amended (the “Act”)<sup>1</sup> and Sections 54.101 through 54.207 of the Rules of the Federal Communications Commission (“FCC”),<sup>2</sup> hereby petitions the Florida Public Service Commission (“Commission”) for designation as an Eligible Telecommunications Carrier (“ETC”) in certain BellSouth, Sprint, and Verizon exchanges as described herein (“Designated Area”) for the purpose of receiving federal universal service support. As demonstrated below, Easy Telephone satisfies all of the statutory and regulatory requirements for designation as an ETC in the Designated Area. Furthermore, designation of Easy Telephone in the Designated Area will serve the public interest. Accordingly, Easy Telephone respectfully requests that the Commission grant this Petition.

---

<sup>1</sup> 47 U.S.C. & 214(e)(2).

<sup>2</sup> 47 C.F.R. && 54.101-54.207.

## I. Background

1. Easy Telephone is a Florida corporation<sup>3</sup> and is authorized to conduct business as a foreign corporation in the State of Florida.<sup>4</sup> Copies of the Company's Articles of Incorporation and authority to transact business in the State of Florida are on file with the Commission and incorporated herein by reference.<sup>5</sup> The Company has been certified by the Commission as a Competitive Local Exchange Company ("CLEC") in Florida . The principal office of the Company is located at 5467 North State RD 7 Tamarac, FL 33359. The Company provides local exchange and exchange assess services in the BellSouth, AT&T exchanges using a combination of unbundled network elements ("UNEs") provided by these companies that allows end-to-end switching delivery of calls.

2. As set forth in Section 214(e)(2) of the Act, the Commission "shall upon its own motion or upon request designate a common carrier that meets the requirements of [Section 214(e)(1)] as an eligible telecommunications carrier for a service area designated by the State commission."<sup>6</sup> Upon designation as an ETC, the carrier shall be eligible to receive universal support in accordance with Section 254 of the Act.<sup>7</sup>

---

<sup>4</sup> Florida Department of State Corporation document, effective September, 24, 1999.

<sup>5</sup> See Application of Easy Telephone, Inc. In Docket No 991477-TX. Effective January- 21, 2000.

<sup>6</sup> 47 U.S.C. & 47 C.F.R. & 54.201(b) (FCC Rules citing the Act's requirements).

<sup>7</sup> 47 U.S.C. & 214(e)(1).

3. The requirements for designation as an ETC set forth in Section 214(e)(1) are that the carrier must:

(A) offer the services that are supported by Federal universal support mechanisms under section 254(c), either using its own facilities or a combination of its own facilities and resale of another carrier's services (including the services offered by another eligible telecommunications carrier); and

(B) Advertise the availability of such services and the charges therefore using the media of general distribution.<sup>8</sup>

**II. Easy Telephone Satisfies the Requirements for Designation as and ETC to Serve the Designated Area**

4. Easy Telephone is a common carrier as that term is defined in the Act.<sup>9</sup>

The Company provides competitive Docket No. 991577-TX and Florida Public Service Commission Tariff No. 1, which was first effective on .<sup>10</sup>

5. Easy Telephone offers all of the supported services enumerated under Section 254(c) using facilities obtained as UNEs from BellSouth, AT&T.

According to FCC Rules, facilities obtained as UNEs satisfy the requirement that an ETC provide the supported services using either its own facilities or a combination of its own facilities and resale of another carrier's services.<sup>11</sup>

Accordingly, the Company satisfies the requirement set forth in Section 214(e)(1)(A).

---

<sup>8</sup> *Id.*

<sup>9</sup> See 47 U.S.C. & 153(10) ("the term 'common carrier' or 'carrier' means any person engaged as a common carrier for hire, in interstate or foreign communication by wire or radio or in interstate or foreign radio transmission of energy . . . .").

<sup>10</sup> The Company also has been certified by the Commission to resell inter-exchange direct dialed telecommunications services throughout the State of Florida (Docket No. 991577-TX. ), Order No. P

<sup>11</sup> Section

6. The services that are supported by Federal universal support mechanisms under section 254(c) are enumerated in the rules of the Federal Communications Commission (“FCC”) at 47 C.F.R. & 54.101(a)(1)-(9). These services are:

a) Voice grade access to the public switched network. “Voice grade access” is defined as a functionality that enables a user of telecommunications services to transmit voices communications, including signaling the network that the caller wishes to place a call, and to receive voice communications, including receiving a signal indicating there is an incoming call. For the purposes of this part, bandwidth for voice grade access should be, at a minimum, 300 to 3,000 Hertz;

b) Local usage. “Local usage” means an amount of minutes of use of exchange service, prescribed by the FCC, provided free of charge to end users;

c) Dual tone multi-frequency signaling or its functional equivalent. “Dual tone multi-frequency” (DTMF) is a method of signaling that facilitates the transportation of signaling through the network, shortening call set-up time;

d) Single-party service or its functional equivalent. “Single-party service” is telecommunications service that permits users to have exclusive use of a wireline subscriber loop or access line for each call placed, or in the case of wireless telecommunications carriers, which use spectrum shared among users to provide service, a dedicated message path for the length of a user’s particular transmission;

e) Access to emergency services. “Access to emergency services” includes access to services, such as 911 and enhanced 911, provided by local

governments or other public safety organizations. 911 is defined as a service that permits a telecommunications user, by dialing the three-digit code “911,” to call emergency services through a Public Service Access Point (PSAP) operated by the local government. “Enhanced 911” is defined as 911 service that includes the ability to provide automatic numbering information (ANI), which enables the PSAP to call back if the call is disconnected, and automatic location information (ALI), which permits emergency service providers to identify the geographic location of the calling party. “Access to emergency services” includes access to 911 and enhanced 911 services to the extent the local government in an eligible carrier’s service area has implemented 911 or enhanced 911 systems;

f) Access to operator services. “Access to operator services” is defined as access to any automatic or live assistance to a consumer to arrange for billing or completion, or both, of a telephone call;

g) Access to interexchange service. “Access to interexchange service” is defined as the use of the loop, as well as that portion of the switch that is paid for by the end user, or the functional equivalent of these network elements in the case of a wireless carrier, necessary to access an interexchange carrier’s network;

h) Access to directory assistance. “Access to directory assistance” is defined as access to a service that includes, but is not limited to, making available to customers, upon request, information contained in directory listings; and

i) Toll limitation for qualifying low-income consumers. Toll limitation for qualifying low-income consumers.

7) Upon designation as an ETC, Easy Telephone will participate in, and offer, LifeLine and Link-Up programs to qualifying low-income consumers and publicize the availability of Lifeline and Link-Up programs to qualifying low-income consumers and publicize the availability of Lifeline and Link-Up services in a manner reasonably designed to reach those likely to qualify for those services, as required by FCC Rules.<sup>12</sup> Attached hereto as Exhibit A and incorporated herein by reference are copies of Easy Telephone's proposed Lifeline and Linkup tariff to be filed with the Commission upon approval.

8) Easy Telephone will advertise the availability of the above-referenced services and the charges for those services in the Designated Area using media of general distribution, as required by FCC Rules.<sup>13</sup>

9) Attached as Exhibit B and incorporated herein by reference are Easy Telephone's updated financial statements demonstrating that the Company has the financial qualifications to provide the services specified herein. Easy Telephone has previously provided the Commission with evidence of its financial capabilities to provide the supported services in the context of its application to become certified as a CLEC in Docket No. 991477-TX. The financial statements of Easy Telephone contain proprietary and confidential and are being submitted under seal to be maintained by the Commission and Commission staff on a confidential basis pursuant to current Commission rules. Attached as and incorporated herein by reference is a current list of officers. Easy Telephone has previously provided the Commission with evidence of its managerial and

---

<sup>12</sup> See 47 C.F.R. §§ 54.401-54.417; 54.405(b) & 54.411(d)..

<sup>13</sup> See 47 C.F.R. §§ 54.201(d)(2).

technical capabilities to provide the supported services in the context of its application to become certified as a CLEC in Docket No. .

10) Attached as to this Petition and incorporated herein by reference is the testimony of Art Magee, Comptroller of Easy Telephone certifying that the Company satisfies all of the requirements for designation as an ETC to serve the Designated Area.

### **III. Area for Which ETC Designation is Requested**

11) Easy Telephone has served and will continue to serve the exchanges where it leases UNEs or resells the services of the non-rural telephone companies, BellSouth, Sprint, and AT&T the state of Florida. Easy Telephone does not seek designation as an ETC in any areas served by rural telephone companies.

Pursuant to the Order in Docket No. 991477-TX , the Company does not provide local exchange service in any area served by any Independent telephone company as defined in the Final Order of 1/21/2000 in Docket No. 991477-TX . The exchanges in the Easy Telephone and AT&T service areas that Easy Telephone serves and for which it seeks ETC designation are attached as Exhibit E.

### **IV. Granting Easy Telephone's Petition will serve the Public Interest**

12) Congress requires that the Commission grant competitive ETC petitions I non-rural areas.<sup>14</sup> No specific public interest test is mentioned, as is the case for areas served by rural telephone companies.<sup>15</sup> Thus, the Act provides that the Commission "shall" designate Easy Telephone as an ETC upon finding that the company meets the nine point list of services and that it agrees to advertise the

---

<sup>14</sup> See 47 U.S.C. 214(e)(2).

<sup>15</sup> See *Id.*

supported services throughout the designated service area. Notwithstanding, the designation of Easy Telephone as an ETC will serve the public interest.

13) A central purpose of the Telecommunications Act of 1996 was to “promote competition and reduce regulation ... and encourage the rapid deployment of new telecommunications technologies.”<sup>16</sup> Designation of Easy Telephone as an ETC would further these goals. Granting ETC status to Easy Telephone would allow the Company to obtain federal universal service support, which it will use to offer innovative telecommunications services at competitive prices to rural consumers in the AT&T service areas.

14) Easy Telephone will announce and advertise telecommunications services as an ETC where it provides service in the AT&T service areas in Florida and will publicize the availability of Lifeline and Link-Up services in a manner reasonably designed to reach those likely to qualify for those services. Accordingly, more low-income Florida residents will be made aware of the opportunities afforded to them under the Lifeline and Link-Up programs and will be able to take advantage of those opportunities by subscribing to Easy Telephone’s service.

For the foregoing reasons, Easy Telephone respectfully requests that the Commission grant its petition and designate the Company as an ETC for the BellSouth and the AT&T exchanges specified herein.

Respectfully submitted,

By: \_\_\_\_\_

Manuel Torrens

Easy Telephone

---

<sup>16</sup> The Telecommunications Act of 1996, Pub. L. No. 104-104, 110 Stat. 56, 56 (1996).

Exhibit A

G.Lifeline

1. Applicability:

a. Lifeline discounts are applicable to local exchange services provided to eligible residential Applicants.

2. Territory:

a. Within the base rate areas of all AT&T exchanges as shown and defined in the Incumbent LEC's current and effective Tariffs on file with the Commission.

3. Discounts:

a. Lifeline is provided as a reduction of the subscriber's access line rate for local service in amounts equal to the sum of the state and/or federal approved and supported credits.

4. Terms and Conditions:

- a.. Lifeline is provided only to the customer's principle residence
- b. One low-income credit is available per household and applicable to the primary residential connection only. The named subscriber must be a current recipient of any of the low-income assistance programs identified in 5 following.
- c. Proof of eligibility in any of the qualifying low-income assistance programs should be provided to the Company at the time of application for service. The Lifeline credit will not be established until the Company has received proof of eligibility.
- d. When, for any reason, a customer is determined to be ineligible the Company will contact the customer. If the customer cannot provide eligibility documentation, the Lifeline account will be disconnected.
- e. Certification of eligibility in any of the qualifying low-income assistance programs will be required for any account that has been disconnected prior to the reestablishment of the service.

5. Eligible low-income assistance programs:

a. The eligible low-income assistance programs are the same as those defined in the Incumbent LEC's current and effective Tariffs on file with the Commission.
