Re: Docket No. 090232-WS, Joint application for authority to transfer assets and Certificate Nos. 404-W and 341-S in Orange County from Wedgefield Utilities, Inc. to Pluris Wedgefield, LLC.

Dear Mr. Suchora:

Thank you for your letter dated May 26, 2009, in which you expressed your concerns regarding the Commission's approval of an increase in water and wastewater rates for Wedgefield Utilities, Inc. in Docket No. 070694-WS. As you know, the Commission voted to approve the utility's rate increase on December 12, 2008. This decision was memorialized in Order No. PSC-08-0827-PAA-WS which became final on January 20, 2009.

In the instant case, Docket No. 090232-WS pertains to the joint application for authority to transfer the utilities assets and Certificates in Orange County from Wedgefield Utilities, Inc. to Pluris Wedgefield, LLC. As such, please be advised that this docket will not address the previously approved rate increase. Moreover, no other rate issues will be analyzed in this docket. I hope that this information clarifies the subject matter of Docket No. 090232-WS and addresses your concerns.

Before taking any further actions with respect to your letter, the Commission must know your intent regarding your objection to the above referenced transfer in this docket. If you choose to pursue this protest, you will have certain rights and responsibilities to put on your case, including filing written testimony, participating in motion practice and formal discovery, filing a prehearing statement, attending a prehearing to be held in Tallahassee, Florida, putting on witnesses and cross-examining utility and other witnesses at the hearing, and filing a post-hearing brief. All of these activities will have due dates that will be required to be met by all parties to this proceeding. Although utility customers may represent themselves at formal hearings before the Florida Public Service Commission, it may be preferable to hire counsel or a qualified representative to represent you.

That being said, if you do not wish to pursue a formal hearing, your letter will be placed in the correspondence side of the docket file in this case, where your concerns will remain available for review and informational purposes. Additionally, upon your request, we can send you a copy of staff's
