DOCKET NO. 100002-EG
ORDER NO. PSC-10-0561-PCO-EG
ISSUED: September 9, 2010

ORDER GRANTING JOINT MOTION FOR
EXTENSION OF TIME TO FILE PROJECTION TESTIMONY

Pursuant to Rule 25-17.015(1), Florida Administrative Code (F.A.C.), the Commission has set a hearing in its continuing Energy Conservation Cost Recovery (ECCR) docket for November 1-3, 2010. By Order No. PSC-10-0118-PCO-EG, the Order Establishing Procedure, issued February 26, 2010, dates were established for a number of prehearing activities, including dates for the pre-filing of testimony. According to that Order, the Utilities' Projection Testimony and Exhibits are due on September 10, 2010. On September 9, 2010, Gulf Power Company (Gulf), Tampa Electric Company (TECO), Progress Energy Florida, Inc. (PEF), and Florida Power & Light Company (FPL) filed a Joint Motion for Extension of Time to File their Projection Testimony and Exhibits (Joint Motion).

In support of their Joint Motion, Gulf, TECO, PEF, and FPL state that Commission Staff asked the companies to include two scenarios for recovery of demand-side management (DSM) related costs in their projection filing testimony and exhibits. In particular, Scenario One would project costs assuming the utilities continue to implement the programs that exist in their currently approved DSM Plan. Scenario Two would project costs for programs contained in the DSM Plans which are currently before the Commission for approval. Therefore, Gulf, TECO, PEF, and FPL have requested an extension of time to file its testimony on Friday, September 14, 2010. Furthermore, Gulf states that it has been authorized by TECO, PEF, and FPL to request this extension on their behalf. Finally, Gulf states that it has conferred with the parties and has received confirmation from the Florida Industrial Power Users Group, the Office of Public Counsel, PCS Phosphate, and Florida Public Utilities Company that they have no objection to the Joint Motion.

Based on the foregoing, the request is reasonable and is hereby granted. The Utilities' Projection Testimony and Exhibits shall be due on September 14, 2010.

Based on the foregoing, it is

ORDERED by Commissioner Nathan A. Skop, as Prehearing Officer, that the Joint Motion For Extension of Time to File Projection Testimony and Exhibits is granted. It is further

ORDERED that Gulf Power Company, Tampa Electric Company, Progress Energy Florida, Inc., and Florida Power & Light Company shall file their Projection Testimony and Exhibits by September 14, 2010.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
