AFFIDAVIT OF DAMARIS RODRIGUEZ

BEFORE ME, the undersigned authority, personally appeared Damaris Rodriguez who, being first duly sworn, deposes and says:

1. My name is Damaris Rodriguez. I am currently employed by Florida Power & Light Company ("FPL") as Manager of Cost Recovery Clauses in the Regulatory Affairs Department. My business address is 9250 West Flagler Street, Miami, Florida 33174. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C, and the documents that are included in Exhibit A to FPL's Request for Confidential Classification of Information Obtained in Connection with Audit No. 11-005-4-3, for which I am listed as the affiant. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information include customer-specific account information, which if disclosed would impair FPL's competitive interests or those of its vendors. It is FPL's corporate policy not to disclose customer-specific information. This policy includes, but is not limited to: customer names, addresses, telephone numbers, account numbers, rates, billing determinants (kW and kWh usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and does not disclose it, except as required by law, to entities or persons other than the customer absent the customer's consent. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

2. I have reviewed Exhibit C, and the documents that are included in Exhibit A to FPL's Request for Confidential Classification of Information Obtained in Connection with Audit No. 11-005-4-3, for which I am identified on Exhibit C as the affiant. The documents or materials that I have reviewed and which, in whole or in part, are asserted by FPL to be proprietary confidential business information include internal auditing controls and reports of internal auditors. The information also includes contractual data, such as pricing and other terms, the disclosure of which would impair FPL's ability to contract for goods or services on favorable terms in the future. The information also relates to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. AFFIDAVIT OF SOLOMON L. STAMM

BEFORE ME, the undersigned authority, personally appeared Solomon L. Stamm who, being first duly sworn, deposes and says:

1. My name is Solomon L. Stamm. I am currently employed by Florida Power & Light Company ("FPL") as Nuclear Division Controller. My business address is 700 Universe Boulevard, Juno Beach, Florida 33408. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C, and the documents that are included in Exhibit A to FPL's Request for Confidential Classification of Information Obtained in Connection with Audit No. 11-005-4-3. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute contractual vendor data, such as pricing and other terms, the disclosure of which would impair the efforts of FPL to contract for goods or services on favorable terms in the future, to the detriment of FPL and its customers. Also, certain documents contain or constitute competitively sensitive data, the disclosure of which could impair the competitive business of the provider of the information. Specifically, the documents include invoicing records pertaining to a cooling water system piping project at St. Lucie Plant that specifically identify amounts paid for services performed on that project. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

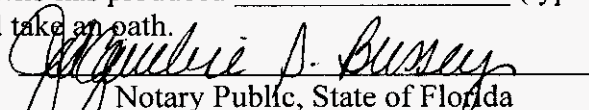

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. AFFIDAVIT OF GREGORY N. DULIN

BEFORE ME, the undersigned authority, personally appeared Gregory N. Dulin who, being first duly sworn, deposes and says:

1. My name is Gregory N. Dulin. I am currently employed by Florida Power & Light Company ("FPL") as a Manager, Construction in the Engineering and Construction Department. My business address is 700 Universe Boulevard, Juno Beach, Florida 33408. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C, and the documents that are included in Exhibit A to FPL's Request for Confidential Classification of Information Obtained in Connection with Audit No. 11-005-4-3. The documents or materials that I have reviewed, and which are asserted by FPL to be proprietary confidential business information contain or constitute contractual data, the disclosure of which would impair FPL's efforts to contract for goods or services on favorable terms in the future. The documents or materials also contain or constitute information relating to competitive interests, the disclosure of which would impair FPL's competitive business. The information relates to amounts paid and other confidential contractual terms for work performed at the Martin and Space Coast Next Generation Solar Energy Centers. Additionally, certain of these materials contain competitively sensitive information related to certain employees' compensation. Public disclosure of compensation information would enable competing employers to meet or beat the compensation offered by FPL, resulting in the loss of talented employees, or conversely, the need to increase the level of compensation already paid in order to retain these employees and attract new talent. This information, if made public, would impair FPL's efforts to obtain commercially favorable pricing and terms for similar goods or services in the future.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.
