

FLORIDA PUBLIC SERVICE COMMISSION

VOTE SHEET

August 9, 2011

Docket No. 110009-EI – Nuclear cost recovery clause.

Issue 1: Should the Commission approve PEF and FPL’s request for a variance from the filing deadlines in Rule 25-6.0423(5)(c)4, F.A.C.?

Recommendation: Yes, the Commission should approve the request for a variance from the filing deadlines in Rule 25-6.0423(5)(c)4, F.A.C. However, the Commission should require each company to submit its fuel clause filings no later than 12:00 p.m. on October 27, 2011, rather than the requested date, November 8, 2011.

APPROVED

Issue 2: Should this docket be closed?

Recommendation: No. If no timely protest is received to the proposed agency action on PEF and FPL’s request for a variance in Docket No. 110009-EI, the Order granting the rule variance will become final upon the issuance of Consummating Order. Docket No. 110009-EI should remain open pending the Commission’s decision on PEF and FPL’s petitions in the NCRC.
