Yes, I'll update that title.

You will need to file a CASR to remove the statutory deadline.

Thank you.

Subject: Docket No. 120214-TP - Embarq Florida/QuantumShift - Adoption by Access Point, Inc.

Matilda, this filing is a pure adoption without modifications or amendments. I have requested that Embarq send a corrected transmittal letter for this docket.

Please change the docket title to remove "with modifications". Since this is a pure adoption, there is no statutory deadline so it needs to be removed too. Should I file a CASR revision to remove the statutory deadline, or will this e-mail notice suffice?
