Yes, I changed it to ".....approval of amendment to CMRS interconnection agreement..." and removed the "URC".

Robyn,

I am following up from my 10/24/2012 e-mail below since I have not received a response as requested. What is the status of this request? A corrected transmittal letter should be filed in this docket file as soon as possible since the statutory deadline is 11/1/2012.

Matilda, can you correct the docket title for this amendment to "... approval of Amendment to CMRS interconnection agreement..." and also remove the "unbundling, resale, and collocation" elements?

Robyn

The transmittal letter for the above amendment appears to be incorrect, based on the contents of the adopted ICA in Docket No. 090035-TP. That filing was an "adoption of Commercial Mobile Radio Services Agreement".

Please file a corrected transmittal letter for this docket (120210-TP) no later than close of business 10/26/2012. Please call me as soon as possible if you have any questions.
