AFFIDAVIT OF J. CARINE BULLOCK

BEFORE ME, the undersigned authority, personally appeared J. Carine Bullock who, being first duly sworn, deposes and says:

1. My name is J. Carine Bullock. I am currently employed by Florida Power & Light Company ("FPL") as Vice President of Production Assurance and Business Services. My business address is 700 Universe Boulevard, Juno Beach, Florida 33408. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C, and the documents that are included in Exhibit A to FPL's Request for Confidential Classification of Information Obtained in Connection with Audit No. 13-016-4-3. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute information concerning services provided for compliance with North American Electric Reliability Corporation Critical Infrastructure Protection requirements and amounts paid to vendors for those services. This information involves FPL's security measures. Additionally, the documents contain information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. Some documents also contain or constitute bids or other contractual data, the disclosure of which would impair FPL's efforts to contract for goods or services on favorable terms in the future.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

J. Carine Bullock

AFFIDAVIT OF GERARD J. YUPP

BEFORE ME, the undersigned authority, personally appeared Gerard J. Yupp who, being first duly sworn, deposes and says:

1. My name is Gerard J. Yupp. I am currently employed by Florida Power & Light Company ("FPL") as Senior Director of Wholesale Operations in the Energy Marketing and Trading Division. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C, and the documents that are included in Exhibit A to FPL's Request for Confidential Classification of Information Obtained in Connection with Audit No. 13-016-4-3, for which I am listed as the affiant. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute contractual data pertaining to capacity and energy such as pricing and other terms, the disclosure of which would impair the efforts of FPL to purchase natural gas and fuel oil and contract for natural gas storage on favorable terms for the benefit of its customers and would impair the competitive interests of FPL and its vendors. Certain information in these documents and materials would also place FPL at a disadvantage when coupled with other information that is publicly available. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
