BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for rate increase by Gulf Power  
Company.

DOCKET NO. 130140-EI

DATED: SEPTEMBER 12, 2013

FEDERAL EXECUTIVE AGENCIES' FIRST SET OF INTERROGATORIES TO GULF  
POWER COMPANY (NOS. 1-20)

The Staff of the Florida Public Service Commission, by and through its undersigned attorney, propounds the following interrogatories, pursuant to Rule 1.340, Florida Rules of Civil Procedure, to Gulf Power Company (Gulf). These interrogatories shall be answered under oath by you or your agent, who is qualified and who will be identified, with the answers being served as provided by the Rules of Civil Procedure, and within the time period set out in Order No. PSC-13-0342-PCO-EI. As provided by Rule 1.340(a), Florida Rules of Civil Procedure, each interrogatory shall be answered separately and fully in writing under oath unless it is objected to. Each answer shall be signed by the person making it.

Give the name, address, and relationship to Gulf of those persons providing the answers to each of the following interrogatories.

If an interrogatory contained herein asks for information that has already been provided or is in the process of being provided to the Commission through a Commission audit, please so state, indicating the date provided and the audit document/record request number.

DEFINITIONS

“You”, “your”, “Company” or “Gulf” refers to GULF POWER COMPANY, its employees and authorized agents.

“Document” refers to written matter of any kind, regardless of its form, and to information recorded on any storage medium, whether in electrical, optical or electromagnetic form, and capable of reduction to writing by the use of computer hardware and software.

“Identify” means:

- (a) With respect to a person, to state the person’s name, address and business relationship (e.g., “employee”) to the Company;
- (b) With respect to a document, to state the nature of the document in sufficient detail for identification in a request for production, its date, its author, and to identify its custodian. If the information or document identified is recorded in electrical, optical or electromagnetic form, identification includes a description of the computer hardware or software required to reduce it to readable form.

## INTERROGATORIES

1. Please provide the most recent (or the five-year historical) senior secured, unsecured and corporate credit rating of Gulf Power assigned by Standard & Poor's ("S&P"), Moody's and Fitch. Also, please provide the Company's S&P business and financial risk profiles
  
2. On an electronic spreadsheet with all formulas intact, please provide the monthly average balances for construction work in progress and short-term debt for the most recent 13-month period.
  
3. Please state whether Gulf Power has any off-balance sheet debt such as purchased power agreements and operating leases. If affirmative, please provide the amount of each off-balance sheet debt item and estimate the related imputed interest and amortization expense associated with these off-balance sheet debt equivalents.
  
4. On an electronic spreadsheet with all formulas intact, please provide Gulf Power's five-year projected and five-year historical capital structure, capital expenditures and sources and amount of capital funding.
  
5. Please provide the following actual annual results for the residential customer class for the period 2003 through 2012, and forecasted for 2013 and 2014:
  - a. MWs sold
  - b. Average Customers
  - c. Revenues by energy charge and customer charge
  - d. Heating degree days

e. Cooling degree days

6. Please provide the following actual annual retail amounts for the period 2007 through 2012 and forecasted for 2013 and 2014:
  - a. Net bad debt write-offs
  - b. Total Revenues
  - c. Explanation for any variation in (a) of 10% or more.
  
7. Based on Gulf Power's current procedure, what is the period of time between final bill and account write-off. If this procedure has changed in the last 10 years, provide all the changes in procedure and the year of implementation.
  
8. Please provide an analysis that shows the Automated Metering Infrastructure support cost charged to operation and maintenance expense and the shift in charging these costs to Customer Accounts rather than Distribution and Customer Service and Information from 2007 through 2012 and forecasted for 2013 and 2014.
  
9. Please provide the amount of annual production maintenance expense, by power plant for 2003 through 2012 and forecasted for 2013 and 2014, by the following components:
  - a. Internal labor and benefits costs
  - b. Outside contractor cost
  - c. Other costs

10. Please provide the following for vegetation management for the period 2008 through 2012 and forecasted for 2013 and 2014:
    - a. Internal labor and benefits costs
    - b. Outside contractor cost
    - c. Other costs
  
  11. Provide Gulf Power's current policies and procedures for vegetation management including, but not limited to, frequency of trimming, classification of areas (example urban and rural), use of internal labor force versus outside contractors for schedule.
  
  12. Please provide copies of any monthly and or annual reports Gulf Power files with any regulatory body regarding vegetation management from 2008 through current and continuing as the information becomes available.
  
  13. Please provide a detailed description and quantification of any changes Gulf Power has made to its customer collections policies in the last five years.
  
  14. Please provide the annual assessed values (by component such as plant, plant held for future use, materials and supplies, land, etc.), amount of property taxes paid and amount of property taxes charged to expense, construction, non-utility and other, for the period 2008 through 2012 and forecasted for 2013 and 2014.
-

15. Provide the following regarding storm cost incurred by Gulf Power for the period 2003 through 2012 and forecasted for 2013 and 2014:
16. Please provide in electronic format the projected forecast assumptions used to produce projected residential energy sales described by Witness Alexander.
  - a. The amount accrued to the property damage reserve
  - b. The amount incurred or forecasted to occur
  - c. The amount of (b) that was or will be charged to O&M
  - d. The amount of (b) that was or will be charged to capital
  - e. The amount of (b) that was recovered through charges to the reserve
  - f. The amount of (b) that was recovered through a surcharge and/or securitization process
  - g. Provide an explanation of how the amounts in (e) and (f) were determined.
17. Provide the current balance in the storm damage reserve at the end of August 2013 and continuing as the information becomes available.
18. Please provide the quarterly year to date reports from the planning units and the projections for the year end expenses, as discussed in the testimony of Gulf Power witness Ritenour on page 11, lines 11-18, for the entire company from 2010 through current and continuing as the reports become available.

19. For each power plant, please provide the planned scheduled outages for each unit for the last ten years and actual/forecasted scheduled outages for 2013 and beyond. Please list the duration of each scheduled outage stating the beginning and ending dates.
  
20. Please provide the miles of transmission and distribution lines trimmed by year for the period 2008-2012 and forecasted for 2013 and 2014. Please provide the above information separately for transmission and distribution.
