The above confidential material was filed along with a request for confidential classification and motion for temporary protective order [for answers to 4th set of PODs]. Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
 - (a) Trade secrets;
 - (b) Internal auditing controls and reports of internal auditors;
 - (c) Security measures, systems, or procedures;
 - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the company to contract for services on favorable terms;
 - (e) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
 - (f) Tax returns or tax-related information;
 - (g) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information.
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.

RE: Request for Confidential Classification of Bates stamp pages 3432-3433, in response to HUA's Fourth Request for Production of Documents No. 167b, in Docket No. 130040-EI, Petition for Rate Increase by Tampa Electric (TECO), Document No. 04906-13.

Pursuant to Section 366.093, Florida Statutes (F.S.) and Rule 25-22.006, Florida Administrative Code, TECO requests confidential classification of the above-referenced information that is contained in Document No. 04906-13.

Staff has reviewed TECO's Request for Confidential Classification and believes the requested information meets the requirements set forth in Section 366.093, F.S. This recommendation addresses Bates stamp pages 3432-3433 included in POD 167b. Accordingly, staff recommends approval of the request and believes the documents should be exempt from disclosure under Section 119.07(1) F.S.
