In Re: Petition for increase in rates
by Gulf Power Company

Docket No.: 130140-EI
Date: October 14, 2013

**GULF POWER COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
AND MOTION FOR TEMPORARY PROTECTIVE ORDER**

Gulf Power Company ("Gulf Power" or "the Company"), pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, hereby requests confidential classification of certain documents and information produced in Response to Federal Executive Agencies' First Interrogatories to Gulf Power (Nos. 1-20) ("FEA's Discovery"). Confidential information submitted in response to FEA's discovery has been segregated and placed within the envelope labeled "CONFIDENTIAL" ("Confidential Information").

Description of the Document(s)

The Confidential Information consists of data produced in response to Interrogatory No. 19. This data is identified with specificity on Exhibit "A" to this Request. In support of this request, the Company states:

1. Subsection 366.093(1), Florida Statutes, provides that any records "found by the Commission to be proprietary confidential business information shall be kept confidential and shall be exempt from s. 119.07(1), Florida Statutes [requiring disclosure under the Public Records Act]." Proprietary confidential business information includes, but is not limited to "[i]nformation concerning . . . contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms." Subsection 366.093(3)(d), Florida Statutes. Proprietary confidential business information also

includes “[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.” Section 366.093(3)(e), Florida Statutes. The Confidential Information that is the subject of this request and motion falls within the statutory categories and, thus, constitutes propriety confidential business information entitled to protection under Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code.

2. Attached hereto as Exhibit "A" is a justification for confidential treatment of the Confidential Information.

3. Attached hereto as Exhibit "B" is a public version of the Document(s) with the Confidential Information redacted, unless previously filed as indicated.

4. The Confidential Information is intended to be and is treated by Gulf Power as private and, to this attorney’s knowledge, has not been publicly disclosed.

5. For the same reasons set forth herein in support of its request for confidential classification, Gulf Power also moves the Commission for entry of a temporary protective order pursuant to Rule 25-22.006(6)(c), Florida Administrative Code, protecting the Confidential Information from public disclosure.

Requested Duration of Confidential Classification

6. Gulf Power requests that the Confidential Information be treated by the Commission as confidential proprietary business information for at least the 18 month period prescribed in Rule 25-22.006(9)(a), Florida Administrative Code. If, and to the extent that the Company is in need of confidential classification of the Confidential Information beyond the 18 month period set forth in the Commission rule, the justification and grounds for such extended confidential treatment are set forth in Exhibit "C" to this request and motion.

WHEREFORE, Gulf Power Company respectfully requests that the Confidential Information that is the subject of this request and motion be accorded confidential classification for the reasons set forth herein and for a minimum period of 18 months, subject to any request for a longer period of confidential classification as may be set forth in Exhibit "C" to this request and motion. The company further moves for the entry of a temporary protective order pursuant to Rule 25-22.006(6)(c), Florida Administrative Code, protecting the Confidential Information from public disclosure.

DATED this 11th day of October, 2013.

Respectfully submitted,

JEFFREY A. STONE

- (1) The highlighted information consists of dates and durations for future planned unit outages at Gulf Power's generating facilities. Wholesale competitors as well as suppliers of commodities and services could utilize this information to undermine Gulf's bargaining position in the markets where Gulf must compete to obtain commodities and services or make purchases or sales of wholesale power. For example, wholesale generators could utilize this information to anticipate potential capacity needs on Gulf Power's system and adjust their pricing to the disadvantage of Gulf and its customers. This information is confidential pursuant to section 366.093(3)(e), Florida Statutes.
