PEOPLES WATER SERVICE COMPANY OF FLORIDA, INC.

CUSTOMER NOTICE

ISSUED: DECEMBER 27, 2013

On May 28, 2013, Peoples Water Service Company of Florida, Inc. (the "Utility"), completed its application to the Florida Public Service Commission (the "Commission") for increased water service rates in which it requested a permanent increase for its water system of 14.74%. After discussions with the PSC staff, on September 16, 2013, the Utility amended that filing to request instead an increase of 9.02%.

By Proposed Agency Action Order PSC-13-0647-PAA-WU issued December 5, 2013, the Commission approved a restructuring and a rate increase for water service of 8.83%. These rates and charges were designed to allow the Utility the opportunity to recover its reasonable and prudent costs for providing service, and a reasonable rate of return on its investment in facilities necessary to provide such water service. That order has now become final.

The increased rates and charges are effective for service on or after January 1, 2014. The rates prior to filing and the Commission approved water and wastewater rates are attached to this customer notice.

This notice was prepared by the Utility and approved by the Commission staff for distribution by the Utility to its customers.

If you have any questions about your bill, please contact the Utility at 850-455-8552 and have your bill available.

Sincerely,

Peoples Water Service Company  
of Florida, Inc.
