Re: 2015 Annual Lifeline Data Request (i-wireless, LLC)
CONFIDENTIAL TREATMENT REQUESTED

To Whom It May Concern:

i-wireless, LLC (herein "i-wireless") hereby files an original and two (2) copies of its responses to the 2015 Annual Lifeline Data Request.

i-wireless hereby requests confidential treatment of certain information identified herein (Exhibits A, B and C, and Response to No. 12) pursuant to Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code. I have enclosed one original copy and two edited copies in which the information claimed as confidential is blacked out.

If you have any questions or need additional information, please do not hesitate to contact me at 770-232-9200 or hkirby@telecomcounsel.com. Thank you for your attention to this matter.

Sincerely,

Heather Kirby

10. Description of your company's procedures for enrolling customers in the Lifeline program. Include the following in your response:
- a. Procedures used to process applications received from the Office of Public Counsel.
 - b. Procedures used to process applications received directly from customers.
 - c. Procedures used to process applications received through the PSC on-line process.
 - d. Procedures used to process applications received through the Department of Children and Families coordinated enrollment process.
 - e. The amount of time required to process applications. Include time period between receipt of customer application and the billing date of the first bill providing the credit.

Response:

- (a) Applications are transferred on a daily basis from the Office of Public Counsel into the CGM Enrollment Compliance Platform (ECP) application. The company's internal Review Team verifies the accuracy and consistency of the proof of documentation, including proof of eligibility and proof of valid identification for every application received. The enrollment platform automatically conducts internal and external (NLAD) system validation checks prior to proceeding with enrollment. Based on the results of the documentation and system checks, the Review Team will either approve or deny the application.**
- (b) Applications received directly from a potential customer requesting Lifeline service are immediately provided to the internal Review Team. Upon receipt, the Review Team will enter the customer's demographic information into the CGM ECP application. After completing the internal and external (NLAD) system validation checks, the Review Team will verify the accuracy and consistency of the proof of documentation, including proof of eligibility and proof of valid identification included with the applicant's materials. Based on the results of the documentation and system checks, the Review Team will either approve or deny the application.**
- (c) Applications are received into the enrollment platform on a daily basis from the PSC-online process. After the applications have been received in the enrollment platform, the enrollment platform will perform internal and external (NLAD) system checks. Based on the results of the system checks then the customer will be either be automatically approved or denied.**
- (d) Applications are transferred on a daily basis from the Department of Children and Family Services into the CGM Enrollment Compliance Platform (ECP) application. The company's internal Review Team verifies the accuracy and consistency of the proof of documentation, including proof of eligibility and proof of valid identification for every application received. The enrollment platform automatically conducts internal and external (NLAD) system validation checks prior to proceeding with enrollment. Based on the results of the documentation and system checks, the Review Team will either approve or deny the application.**

(e) All applications are reviewed in real time by the Review Team. A customer's Lifeline benefit will automatically be credited to their account upon successful activation and use of the handset.

11. Description of your company's procedures for performing continued certification of customer eligibility after initial certification. Include the following in your response:
- a. Time period between initial certification and annual certification.
 - b. Method(s) used to verify customer eligibility.
 - c. Frequency of periodic certification.

Response:

(a) Per the requirements of §54.416, i-wireless mandates that all Lifeline end-users to recertify their eligibility annually. Recertification begins the year after the customer initially enrolled in the Lifeline Program and continues on an annual basis while the customer is actively enrolled in the Lifeline Program.

(b) i-wireless customers may complete the recertification process directly from the handset via the WAP (Wireless Application Protocol) deck, by calling an automated Interactive Voice Response (IVR) system, by speaking with a Customer Care agent, by logging into their account on the company's website or by submitting a completed recertification form via US mail.

(c) Annually.
