In re: Natural gas conservation cost recovery.

DOCKET NO. 160004-GU

ORDER NO. PSC-16-0347-PCO-GU

ISSUED: August 22, 2016

ORDER GRANTING SEBRING GAS SYSTEM, INC.'S
MOTION FOR EXTENSION OF TIME

By Order No. PSC-16-0101-PCO-GU, issued March 11, 2016, utilities in this docket were required to file their actual/estimated true-up and projection testimony and schedules by August 19, 2016. Sebring Gas System, Inc. (Sebring) filed a motion for an extension of time on August 19, 2016, requesting until August 24, 2016, to file its true-up testimony and exhibit schedules.

In its request, Sebring stated the Company's and counsel's schedules and resources have prevented final completion and review of the schedules and submissions. Sebring anticipates an extension until August 24, 2016, would be sufficient time to complete and file its true-up testimony and exhibit schedules.

Pursuant to Rule 28-106.204, Florida Administrative Code (F.A.C.), Sebring contacted the parties to the docket and commission staff via email and telephone. No objections have been raised to the request. In addition, it appears that no party will be adversely affected by the extension. Therefore, Sebring's motion for extension of time is granted. Accordingly, Sebring will have until August 24, 2016, to file its true-up testimony and exhibit schedules.

Based on the foregoing, it is

ORDERED by Commissioner Art Graham, as Prehearing Officer, that the Motion for Extension of Time filed by Sebring Gas Systems, Inc. is hereby granted as set forth herein.

By ORDER of Commissioner Art Graham, as Prehearing Officer, this 22nd day of August, 2016.
