Re: Docket # 20170007

Please DON'T Allow

FPL to Charge

Customers for Turkey Point

Clean up. This should be  
totally their Responsibility,

NOT Customers.

FPL doesn't share Profits  
with customers, why should  
they charge US for  
their Operational Cost.

Please SAY NO

Thank you  
Madelaine Haddo  
FPL - customer.
