Governor Scott:

If you decide to approve Duke Energy's temporary increase in our energy bills I would suggest that you request that they suspend all bonuses and other incentives until the temporary increase is discontinued!

Respectfully,

RE: FPSC Inquiry 1266157C

Dear Mr. Moyer:

The Governor's office forwarded a copy of your email regarding Duke Energy Florida (DEF) to the Florida Public Service Commission (FPSC). The FPSC regulates investor-owned electric, and natural gas utilities throughout the state, and investor-owned water and wastewater utilities in those counties which have opted to transfer jurisdiction to the FPSC. The FPSC has authority in the telephone industry which is limited to the Lifeline Assistance Program, Florida Relay Service, and pay telephone service. We appreciate the opportunity to assist you.

You expressed a concern about DEF's application for limited proceeding rate increase in Pinellas, Pasco, Orange, Osceola, and Seminole Counties, for recovery of incremental storm restoration costs related to Hurricanes Irma and Nate, by Duke Energy Florida, LLC. We will add your comments to the correspondence side of Docket No. 20170272-EI.

If you have any questions or concerns please contact Ellen Plendl at 1-800-342-3552 or by fax at 1-800-511-0809.

Sincerely,

Randy Roland
