Hi Dorothy,

Please file the letter in Consumer Correspondence and the company does not need to be added as an interested person at this time.

Thanks!

Good afternoon, Laura,

The attached letter to Chairman Brown was electronically filed with CLK in Docket 20170199. It is noted that Tampa Innovation Alliance is not a Party of Record or Interested Person in the docket. The letter was cc:d to all other Commissioners and CLK. The Chairman or Commissioners *may* send this to CLK and request it be placed in Consumer Correspondence at a later time. How would you like me to file the copy that was filed with CLK? Should it be placed in Consumer Correspondence or filed in the docket file, and should this company be added as an interested person to the docket? Thank you for your help!

Dorothy
