Please please hear our plea as a full time resident paying very high electric bills from the City of Vero Beach Utilities. We have voted many times to be sold to FPL Please do not stop this sale
Our voices should be heard.

To whom it may concern:

I am a homeowner receiving me electric service from Vero Beach Electric. I have been looking forward to the sale of the electric company to FPL for many years to receive some relief from the approximately 20% premium I pay compared to my friends in Vero Beach receiving service from FPL.

I do not know enough of the specifics of the agreement to determine if the recent objections from several parties is legitimate. I can't help but feel the sale is the right thing to do. I trust the commission will sort this out objectively on behalf of the customers of Vero Beach Electric.

Yours truly,

Elizabeth Beach
