Subject: Re PSC up coming vote

Dear Commissioners,

It has been over 10 years that as a resident of Indian River County I and many like me , have been fighting to do away with the City of Vero Beach's outrages fees on their electric utility. As a resident for over 16 years I have been unable to vote on the City Commissioners and have been paying from 20-25 percent higher electric bills as compared to FPL. The residents of both the City of Vero and of Indian River County have all agreed to accept the FPL offer so we would have better rates and an infusion into our economy. In fact the Vero residents voted twice to sell the utility and accept FPL s offer.

Please support the acceptance of the FPL offer.

Sincerely,  
Vincent E. DeTurrís
