Docket No. 20170235-EI

In re: Joint petition to terminate territorial agreement, by Florida Power & Light and the City of Vero Beach

Docket No. 20170236-EU

Filed: September 26, 2018

**FLORIDA POWER AND LIGHT COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests confidential classification of certain information provided in its amended response to Florida Industrial Power Users Group's ("FIPUG") First Set of Interrogatories (No. 1) ("Amended Confidential Discovery Responses"). In support of its Request, FPL states as follows:

1. On August 10, 2018, FIPUG served its First Set of Interrogatories (Nos. 1-3) and First Request for Production of Documents (Nos. 1-7). FPL's amended response to FIPUG's First Set of Interrogatories (No. 1) contains information of a confidential nature within the meaning of Section 366.093(3), Florida Statutes.

2. FPL served its responses to FIPUG's First Set of Interrogatories (Nos. 1-3) and First Request for Production of Documents (Nos. 1-7) on August 30, 2018, together with its Request for Confidential Classification. This request is being filed in order to request confidential classification of the Amended Confidential Discovery Responses consistent with Rule 25-22.006, Florida Administrative Code.

3. The following exhibits are included with this Request:

a. Exhibit A consists of a copy of the confidential material on which all of the information that FPL asserts is entitled to confidential treatment has been highlighted.

b. Exhibit B consists of pages identifying the title of the exhibit and noting that the contents are confidential. Because FPL seeks confidential classification of the exhibit in its entirety, no purpose would be served by reproducing a full redacted version.

c. Exhibit C is a table that identifies the specific statutory bases for the claim of confidentiality and to the declarant who supports the requested classification.

d. Exhibit D contains the declaration of Scott Bores in support of this Request.

4. FPL submits that the highlighted information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3), F.S. This information is intended to be and is treated by FPL as private, and its confidentiality has been maintained. Pursuant to Section 366.093, such information is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determined that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the hard of disclosure against the public interest in access to the information.

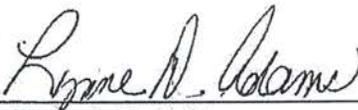

5. As the declaration included as Exhibit D indicates, the documents and materials provided by FPL contain information relating to competitive interests, the disclosure of which would impair the competitive business of FPL and/or its vendors. This information is protected by Section 366.093(3)(e), Fla. Stat.

6. Upon a finding by the Commission that the Amended Confidential Discovery Response is proprietary confidential business information within Section 366.093(3), such information should not be declassified for at least eighteen (18) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavits included herewith, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted,

DECLARATION OF SCOTT BORES

1. My name is Scott Bores. I am currently employed by Florida Power & Light Company ("FPL") as the Senior Director of Financial Planning & Analysis. I have personal knowledge of the matters stated in this written declaration.

2. I have reviewed the documents and information included in Exhibit A to FPL's Request for Confidential Classification filed this date, for which I am listed as the declarant on Exhibit C. The documents that I have reviewed and which are asserted by FPL to be proprietary confidential business information relating to competitive interests, the disclosure of which would impair the competitive business of FPL, contain FPL's assumed long-term price of electricity, including the estimated base rate settlement amounts for the next rate case. To the best of my knowledge, FPL has maintained the confidentiality of this information.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Under penalties of perjury, I declare that I have read the foregoing declaration and that the facts stated in it are true to the best of my knowledge and belief

Scott Bores
