Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

I am 69 years old and, due to many unfortunate situations, have very little savings (and, frankly, I'm scared). I'm VERY, VERY upset that FPL is passing its massive tax cut savings to shareholders.

Please have a heart and pass MUCH of those savings to its customers.  
Please. I beg you.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. Lynda Moodie
