**Docket No. 20190189-WS** – Application for establishment of wastewater allowance for funds prudently invested (AFPI) charges in Lake County, by Utilities, Inc. of Florida.

**Issue 1:** Should UIF’s request to revise its existing AFPI charges for LUSI’s wastewater system be approved, and if so, what are the appropriate AFPI charges?

**Recommendation:** Yes, UIF’s request to revise its existing AFPI charges for LUSI’s wastewater system should be approved and the appropriate AFPI charges are shown on Table 1-1. The AFPI charges should apply until all 1,658 ERCs included in the calculation have connected to LUSI’s wastewater system. After December 31, 2020, the AFPI charge should cease accruing and the utility should be allowed to collect the constant charge of \$1,171.57 until the ERCs included in the calculation of the charge (1,658) have been added, upon which the charges should be discontinued. UIF should provide notice to property owners who have requested service during the 12 months prior to the month this application was filed. The approved charges should be effective for connections made on or after the stamped approval date on the tariff sheets. The utility should provide proof of noticing within 10 days of providing its approved notice.
