DOCKET NO: 20200001-EI DOCUMENT NO: 02321-2020
DESCRIPTION: TECO (Beasley) - (CONFIDENTIAL) Forms 423-2, 2(a), and 2(b) for 12/19

Pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Tampa Electric Company (TECO or Company) requests confidential classification of certain information filed in the above-referenced docket, dated April 30, 2020.

The Company is claiming confidentiality of its information under Section 366.093(3)(d), F.S. Per the Statute, propriety of confidential business information includes, but is not limited to: Subsection (d) “[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.”

More specifically, the information at issue relates to actual purchase amounts pursuant to confidential contracts negotiated by and between the Company and certain energy providers. As such, the relevant information if disclosed would impair the efforts of TECO to contract for goods and services on favorable terms. This information has historically been treated as confidential. Further, TECO requests that the information for which the Company seeks confidential classification not be declassified until 24 months after the issuance of a Commission order disposing of this request. The Company claims this time period is necessary to allow it to negotiate future contracts without its competitors having access to information which would adversely affect the ability of TECO to negotiate future contracts.

Staff has reviewed the subject information as well as the Company’s confidentiality request. It is staff’s opinion that the information subject to this request meets the criteria for confidentiality contained in Section 366.093(3)(d), F.S.
