Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

Please consider that the economy has taken a HUGE HIT this year and so many folks are unemployed and having to get their groceries at food pantries. An extra \$30 a month would be a huge burden for them. This also applies to Senior

Citizens... who have to forgo food to pay for prescriptions. This economic downturn will NOT BE GOING AWAY ANY TIME SOON. This increase should be denied now and perhaps reconsidered in a year.

Sincerely,

Mrs. Jeanne Gelbert
