Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

Everyday I see prices going up when I go to the stores to buy essentials. As a senior citizen depending on Social Security, my income is limited and it is difficult to cover the cost of food, medications, utilities, taxes etc. Please do not raise the electricity at this time.

Thank you.

Sincerely,

Ms. Marion Thomas-Hussen
