Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

Duke Electric Docket 20200092-E1

Michael & Marianne Chmara are retired and live on some saving money we have & Social Security. Prices on food, insurance Life & Home insurance for both of us, Car Insurance and repairs, gas, Duke Electric, Food, Doctor appointments and prescriptions both of us, Cable & Phone and Internet. We pay a Association Fee for our condo and it goes up every year. We moved to Florida 2014 and this bill has defiantly gone up every year. Like all of our bills. If Trump is President again he is going to lower the money we get to live on from Social Security.

Sincerely,

Mrs. Marianne Chmara
