Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

Irma came with a strong powerful wind, and power surges. FPL storm surge program for our homes did not pay anything for the legitimate claims that we filed.

The solar program is inadequate at best, and the adds are misleading.

Sincerely,

Mr. Don Tilley
