DOCUMENT NO. 11024-2020
FPSC - COMMISSION CLERK

Docket No. 20200151-EI – Petition for approval of a regulatory asset to record costs incurred due to COVID-19, by Gulf Power Company.

Issue 1: Should the Motion for Reconsideration be granted?

Recommendation: Yes, the Motion should be granted. OPC has demonstrated that a point of law was overlooked regarding the point of entry for a substantially affected person to challenge the establishment of a regulatory asset. Order No. PSC-2020-0262-PCO-EI should be vacated and reissued as proposed agency action (PAA).

MOOT

The Commission on its own motion voted to reconsider the procedural order issued on July 27, 2020, approving the Gulf Regulatory Asset, and that the order shall be reissued as proposed agency action. Staff is granted the administrative authority to make the necessary changes to conform the order to proposed agency action.
