Subject: FW: New Docket 20210062

Hi Adria,

Thank you for the clarification. We will make the revisions as indicated below.

Subject: RE: New Docket 20210062

Yes, looks like there is a typo in the docket style -- the dash appears to be missing between the 25 and the 6 in the rule.

It should be **04080-2020**.

Yes, these DNs should be moved from 20200000-OT to new Dkt 20210062:

09712-2020
10988-2020
02992-2020

And these DNs should also be moved from 20210000-OT to new Dkt 20210062:

01916-2021
01962-2021

Yes, DN 04170-2020 should be **copied** from 20200000-OT to new Dkt 20210062, *with a copy remaining in 20200000-OT* (since it references Rule 25-7.0141, which is not part of the new docket, and Rule 25-7.0143, which is part of the new docket).

DN 10999-2020 should NOT be moved into this docket.

THANK YOU!

Subject: New Docket 20210062

Hi Adria,

We have set up new Docket 20210062-OT per your request to establish docket (DN 03143-2021). There are a few things we need clarification on.

- Should the title reference Rule **25-6.0143** rather than **256.0143**?
- Should DN **0480-2020** (located at the end of the sentence on the first line in the comments section of the req to est dkt), be **00480-2020** or **04080-2020**.
- Should the following DNs also be **moved** from **20200000-OT** to new Dkt 20210062:

09712-2020
10988-2020
02992-2020

- Should DN 04170-2020 be **copied** from 20200000-OT to new Dkt 20210062, **with a copy remaining in 20200000-OT** (since it references Rule 25-7.**0141**, which **is not** part of the new docket, **and** Rule 25-7.**0143**, which **is** part of the new docket).
- DN **10999-2020** (the last number listed in the list of documents to be moved from 20200000-OT) is actually customer correspondence in Docket 20200051. Please advise if that one should be moved to the new docket, or if another number was intended.
- Should the following DNs also be moved from **20210000-OT** to new Dkt 20210062:

01916-2021
01962-2021

Thank you for your help!
Dorothy
