**Re: Docket No. 20210013-TP - In re: Application for designation as an eligible telecommunications carrier to receive rural digital opportunity fund auction (Auction 904) support for voice and broadband services and request for expedited consideration, by Bright House Networks Information Services (Florida), LLC.**

Dear Mr. Teitzman:

By this Letter, Bright House Networks Information Services (Florida), LLC ("Charter") respectfully withdraws the request contained in its letter of March 10, 2021. Charter appreciates the opportunities it has had to discuss its issues with Commission staff over the past few weeks and now asks that the staff's recommendation addressing Charter's Application for Designation as an Eligible Telecommunications Carrier be moved forward for consideration at the Commission's June 15 Agenda Conference.

Thank you for your assistance with this filing. As always, please don't hesitate to let me know if you have any questions or concerns.

Kind regards,
