Subject: WE MUST NOT BECOME ANOTHER TEXAS Stop Rubber Stamping FPL Requests!

Dear Commissioner

FLORIDA HAS THE LONGEST COAST IN THE COUNTRY...MASSIVE SUN LIGHT...YET WE RANK IN THE BASEMENT MAKING USE OF ALL THAT RENEWABLE ENERGY. >>>AND YOU WANT TO TAKE MORE MONEY FROM UNEMPLOYED AND UNDEREMPLOYED / PAID FLORIDA RESIDENTS AND WORKERS<<<< WHAT ARE YOU THINKING?

Florida Power & Light is asking for the largest single rate hike in Florida history at a time when consumers are facing an increased cost of goods and services as we recover from the economic downturn caused by COVID-19. Increasing the cost of electricity is something you, the Public Service Commission, can control.

It is unconscionable to think that we should have to pay more for our electric service at a time like this. Rubber stamping an all-time high return on equity of 11.5 percent goes against helping struggling Floridians. Putting people over profits should come first.

Now is not the time to give FPL what it wants; let's keep the public in Public Service Commission! YOU MUST NOT ALLOW US TO BECOME ANOTHER TEXAS. (P.S. all schools, prisons and public buildings should be AC at YOUR bottom line cost.

Thank you,

Marty jacobs
