Item 12

VOTE SHEET

FILED 6/15/2021  
DOCUMENT NO. 05721-2021  
FPSC - COMMISSION CLERK

**Docket No. 20200093-GU** – Petition for approval of tariff modifications for liquified natural gas service by Peoples Gas System.

**Issue 1:** Should the Commission approve Peoples’ amended proposed LNG tariff?

**Recommendation:** Yes. Staff recommends that the Commission should approve Peoples’ amended proposed LNG tariff, as shown in Attachment A of staff’s memorandum dated June 3, 2021 , effective on June 15, 2021. The LNG tariff would provide Peoples with an opportunity to provide storage and regasification LNG services to interested customers. A participating customer would enter into a contract with Peoples and all capital and operating costs associated with the LNG facility would be borne by the customer. If Peoples petitions the Commission to evaluate cost recovery for any tariff default or under-recovery in a future rate petition, the utility should be put on notice that, as part of its review, the Commission will complete a thorough analysis of the utility’s due diligence in entering into the contract, including the sufficiency of contract provisions designed to protect the general body of ratepayers.
