### COMPLAINT INFORMATION

Complaint: Other Complaint against Florida Power & Light Company  
Details:

I am file a formal complaint against the utility rate increase proposed by FPL. The reason that we have too many FIXED income people in the state of Florida which I'm one of them. We don't get the type of rate increases on Social Security FPL is asking for. I do appreciate their "trying" to keep rates down. I would image part of this rate increase will go to salaries as well which these people make a lot as it is. I hope the PSC considers the poor, fixed income people first for a change rather than sucking money from the wealthy in the state which we know they DON'T pay their fair share. Thanks for reading this.
