BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

Re: Petition for Expedited Review of Growth) Docket No.
Code Denial by the Number Pooling Administrator) Filed: June 22, 2021
For the Coral Springs rate center.)

PETITION FOR EXPEDITED REVIEW OF NXX-X CODE DENIAL

Telecommunications of America, LLC - FL (TCAL) pursuant to 47 C.F.R. § 52.15(g)(iv), Federal Communications Commission (“FCC”) Order FCC 00-104, and Florida Public Service Commission (“Commission”) Order No. PSC-01-1873-PCO-TL, petitions the Commission to review the Pooling Administrator’s (“Somos”) denial of TCAL’s request for additional numbering resources in the Coral Springs rate center. In support of this petition, TCAL states:

PARTIES

1. TCAL is a corporation organized and formed under the laws of the State of New Jersey.
2. Somos is an independent non-governmental entity, which is responsible for administering and managing the numbering resources in pooling areas. See 47 C.F.R. § 52.20(d).

JURISDICTION

3. The Commission has jurisdiction of this matter pursuant to Industry Numbering Committees (INC) Number Pooling Guidelines Sections 3.7 and 12(c). This provision provides that a carrier may challenge Somos’s decision to deny numbering resources to the appropriate regulatory authority.

BACKGROUND AND REQUEST FOR RELIEF

4. The Coral Springs rate center is served by only 1 switch (ORLDFLMAGT1). TCAL owns 3 blocks: 754-240-6, 754-812-4 and 954-888-5 with 147, 810 and 17 available

numbers respectively. There are 53 aging numbers amongst the 3 blocks and 3 administrative numbers.

5. On June 16, 2021 TCAL requested 2400 consecutive numbers.
6. At the time of the request, the Coral Springs month-to-exhaust is 1.91 months and utilization is 65.67%
7. On June 16, 2021, Somos denied TCAL's request because TCAL had not met the utilization threshold, notwithstanding the fact that TCAL is unable to provide the numbering resources requested by the specific customer. See Attachment 1. Pursuant to Commission Order No. PSC-01-1973-PCO-TL the customer contact information is attached. See Attachment 2.
8. As discussed above, both the FCC Order and the INC guidelines provide that state regulatory authorities have the power and authority to review Somos's decision to deny a request for numbering resources. See INC Number Pooling Guidelines Sections 3.7 and 12(c).
9. Under earlier MTE procedures used by NANPA, waivers or exceptions were granted when customer hardships could be demonstrated or when the service provider's inventory did not have the specific number format to meet the customer's specific request. The current process is arbitrary and results in (1) decisions contrary to the public interest and welfare of consumers in Florida; and (2) decisions that do not necessarily promote the efficient use of telephone numbers.
10. TCAL requests that the Commission's reverse Somos's decision to withhold numbering resources on the following grounds:
 - (a) Somos's denial of numbering resources to TCAL interferes with TCAL's ability to serve its customer in Florida.
 - (b) As a result of Somos's denial of the request for additional numbering resources, TCAL is unable to provide telecommunications services to its customer.

WHEREFORE, TCAL requests:

1. The Commission review the decision of Somos to deny TCAL's request for additional numbering resources for the Coral Springs rate center; and

2. The Commission direct Somos to provide the requested numbering resources for the Coral Springs rate center as discussed above.

Respectfully submitted this 22th day of June, 2021.
