Subject: FPL Docket No. 20210015-EI

To Whom It May Concern:

I am writing to oppose the request by FPL to increase rates yet again when they are already operating at such a profit.

As consumers, we do not have a choice on who our utility provider is and I find it extremely unfair that FPL is consistently raising rates and while doing so consistently increasing their profit margin.

Please oppose this request for yet another rate hike by FPL!

Thank you,
