Subject: Teco Rate Increase

1. I've filled out your form to state my concerns about this increase and asking for reconsideration to implement.
2. The increase is far above the inflation rate, and even a 15% increase is thoughtless when considering we are in a pandemic.
3. Please don't make it worse for people who are trying to pay bills and living on a lot less.

Thanks,
Joanne Sturm

RE: ELECTRIC RATE INCREASE

Docket # 20210034-EI

Please reconsider this increase. The % of increase is well above inflation rate as well as:

- We are in a PANDEMIC about to get worse
- People have lost housing
- Many are still not working
- Putting money in your pocket means less to pay for food and medical expenses.

PLEASE DO NOT INCREASE OR match % of inflation.

Thanks.
