I'm opposed to the increase TECO is proposing of 19%. We are in the middle of a pandemic and many Americans are still not working and are hurting financially. Incomes are not keeping up inflation. Everything from food, clothing, insurance and healthcare is costing more and Floridians have to decide on putting food on their tables or keeping the lights on. I'm totally opposed to the increase. Thank you.

I'm opposed to increase TECO is proposing of 19%. We are in the middle of a pandemic and many Americans are not working and hurting financially. Everything is increasing food, clothing, insurance and healthcare but salaries are not increasing. I'm totally against any increase by TECO.
