Subject: TECO increase 20210034E1

To whom it may concern,

I am not totally opposed to Teco getting a small increase. However, I believe the amount that they are asking for will put a substantial burden on many people especially people on fixed income. The amount asked for is way above the increase in cost of living. I am hoping that you will vote against this substantial increase and have them come back with a more realistic figure.

Sincerely,

Linda Kitko
