In re: Petition for rate increase by Florida  
Power & Light Company.

DOCKET NO. 20210015-EI  
ORDER NO. PSC-2021-0305-PCO-EI  
ISSUED: August 12, 2021

FOURTH ORDER REVISING ORDER ESTABLISHING PROCEDURE

This proceeding was set for final hearing on August 16-27, 2021 by Order No. PSC-2021-0116-PCO-EI, issued March 24, 2021. On August 10, 2021, Tropical Storm Fred was named and forecasted to make landfall in Florida. On August 11, Tropical Storm Fred with winds of 45 miles per hour continues to move toward Florida with landfall forecasted to be made late Saturday, August 14 or early Sunday, August 15 in Gulf Power/Florida Power & Light Company's electric service territory. Under these circumstances, it is necessary to continue the technical rate case hearing currently scheduled to commence on August 16, 2021, at 9:30 a.m. until Wednesday, August 18, 2021, 9:30 a.m. in order to ensure that Gulf Power/Florida Power & Light Company can appropriately respond to service issues which may arise as a result of Tropical Storm Fred's landfall in its Panhandle service area.

The August 18, 2021 hearing shall be limited to the procedures for conducting a full hearing at a later date on the petition for rate increase and the Stipulation and Settlement Agreement filed on August 10, 2021. Thus, no testimony will be taken and no witnesses need appear. Parties who wish to appear remotely may submit written requests to do so.

By ORDER of Chairman Gary F. Clark, as Presiding Officer, this 12th day of August, 2021.
