Subject: Protect our solar rights! Docket: 2020-0000

Dear Commissioner Andrew Giles Fay,

I added solar panels and net-meter to our home last fall. Now the home insurance company, Frontline, will not renew my home insurance. After further discussion, they may renew the home insurance but I have to disconnect the net-meter. And my insurance could be doubled or tripled because I have solar panels. I don't understand why this is happening! If this is the case, nobody will use solar energy.

Please help!

Sincerely,
KEQI GAN
