Regarding
Duke Energy Terrorist Organization
STOP Duke Energy terrorist attacks on our life.

Beginning 2020, we OPTED OUT from Duke Energy Remote Access Meter (Smart Meter).

We have been through **HELL because of Duke Energy Domestic Terror**. Duke Energy continues to send Terrorists to our house to terrorize us.

ICON employee, Danny Velez, came to our door and says he is with Duke Energy to install smart meter.

Numerous times we instructed and directed Duke Energy NOT TO send anyone to our door. NO Solicitation. We OPTED OUT. Our community has NO SOLICITING. Our house has NO SOLICITING. Duke Energy is **illegally trespassing** on our property with solicitors.

Seminole County Sherriff escorted Danny Velez out of Enclave at Aloma. NO solicitors allowed. They are trespassing on private property. Not allowed to enter our community.

Repeated and continued terrorist attacks by Duke Energy on our home, our life, our peace, our health, our wellbeing in our home. We have repeatedly communicated with Duke Energy to **STOP**. STOP your constant, repeated terrorist attacks on our life.

ICON, Danny Velez, lied saying someone else lived in our house three months ago.

Extremely disturbing and provoking. Duke Energy is terrorizing people in their home repeatedly harassing and provoking homeowners in their homes disturbing our peace causing us stress and harm.

WE WILL DEFEND AND PROTECT OUR HOME OUR PROPERTY OUR LIFE from Duke Energy terrorism.
