Hi Raquel,

When NGA911 pays their \$500 non-compliance fee, \$200 should go to the PSC and the other \$300 to the General Revenue Fund.

Thanks,  
Andrea

Hi Andrea,

This is the email from Raquel that I would appreciate you could answer the question about how the \$500.00 is going to be split up.

Thank you!

I absolutely will. The Company has not sent in the \$500.00 payment but is willing too, The \$500.00 should be paid directly to us, and then if you would let me know if it all goes to revenue or sometime we break it up, 200.00 for the cost of recovery and 300.00 for a fine. I am waitng to hear back from the collection agency to confirm payment and let me know when they will be sending the amount due, to us.

Good morning Raquel,

In reference to our earlier conversation about NGA 911, L.L.C. (TY174) could you please let me know when you receive the payment from the collection agency and the check for \$500.00 for the first time noncompliance penalty?

Thank you so much for your help.

Margarita
